

ROOSEVELT—The girls track team came out to be the winner after a controversial final tally, winning the meet by 4 points instead of losing by 2 points.

According to Coach Verle Tolley, the final count didn't have the third place win by Diann Trimble, which gave the Wasps a 4 point victory.

Coach Tolley explained that the calculations made were in error by four points and that after a quick phone call to the Union coach, the proper score was posted.

The boys team didn't come out so lucky, though they were close behind Emery, losing 68-62. The Wasps had some real close races that left them a little behind, and gave Emery the lead.

Results for the meet were: (girls team)

Coach Tolley said that this meet gave good indications of where the team stood among the other teams of the region. He pointed out that the team would have some ways to go before they could cleanly take the region title.

Wasatch Golf Team Competes at Union

ROOSEVELT—Wasatch was close behind Union High School in the opening match of the Region Nine Golf Play. The three teams involved in the region match-up were Morgan, Union and Wasatch. Evanston's golf team also participated, but have no score counting in the match.

Union and Wasatch were within one point difference going into the back 9-holes, and Wasatch had a hard time closing the gap. Union finished ahead of Wasatch by 7 point, and out scored Morgan by 35 points.

Union was last year's region champions, and have their top players returning to play. They also had the advantage of the home course.

"We're the last team to really get started in the region," said Coach Summerhays. Union and the others have been playing for some time.

The top five for the meet, were Brian Allred, last year's region individual champion, 76, Brian Summerhays, of Wasatch, 78, Troy McGhee of Union 79, David Eaton of Wasatch 81 and Mike Olsen of Union 82.

Tom Bonner and Lenny Lyons both shot an 86. Lenny had a superb front front nine, but didn't turn in a good back nine.

Others that participated in the two meets were Jeff Cochran and

Clark Sweat, who Coach Summerhays says will be fighting out the fifth state team position, John McDonald, Philip Trimble and Joey Wright.

"Even if we're within 7 shots going into the final meet, you just never know," said Coach Summerhays of the Region teams.

Wasatch travels to Morgan April 22, to meet the same four teams.
